**Are the Orange County Treasurer's Investment Responsibilities Compliant?**

**Santa Ana, California**---The 2012-2013 Orange County Grand Jury today released a study titled "An Investment and Compliance Review of the Orange County Treasure."

The review of the Treasurer provided the Grand Jury with an overview of the County Investment Policy and the process used to determine if the investment choices are compliant. The Grand Jury also investigated the methods used to measure the risks and rewards associated with the current investment strategies and the systems in which to measure safety, liquidity and yield.

The Grand Jury report, including Findings/Conclusions and Recommendations, can be found on the Orange County Grand Jury's website, [www.ocgrandjury.org](http://www.ocgrandjury.org). This report will also be included as part of the Final Report of the 2012-2013 Grand Jury, to be published later this year.
